ABSTRACT

The goal of this series of guides is to show Texas educators what components of the Texas Essential Knowledge and Skills (TEKS) curriculum are eligible for testing on the Texas Assessment of Academic Skills (TAAS) and end-of-course tests. This guide contains information for the end-of-course tests administered for the following subjects: Algebra I, Biology, English II, and U.S. History. The sections are: (1) "General Information"; (2) "End-of-Course Test Objectives and Related TEKS"; and (3) "Tools for Educators." (SLD)
